MONEY TV PRODUCTIONS

Media kit

Reach investors where they *watch, listen and trade.*

A markets show with CJ Melone, a podcast, a free newsletter and the MoneyTV Tracker fantasy stock league, all in one place.

108K

MoneyTV network reach

108,344 followers and subscribers

631K

YouTube views

channel total

Live from our own dashboard as of November 23, 2026. Network reach is followers and subscribers across MoneyTV and its hosts' accounts.

Business TV for people who actually invest.

MoneyTV brings public companies, founders and market voices to an audience that follows, trades and watches the market. Host CJ Melone leads weekly conversations, and the audience carries over to the Tracker league, posts and the Buy The Dip newsletter.

The MoneyTV show

Weekly conversations with CJ Melone on markets, public companies and the people behind them.

MoneyTV Tracker

A free fantasy stock trading league with a weekly leaderboard and prize.

Posts and Buy The Dip

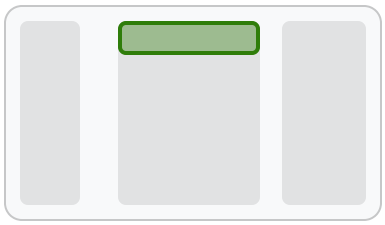

Written takes on stocks, shows and what we are watching, plus a free newsletter.

Featured company profiles

A dedicated page with the company facts, the episode and The MoneyTV Take. An add-on to a guest appearance.

Where your brand appears

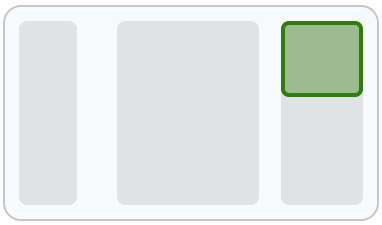

Seven digital ad placements, plus commercials read by our hosts in the podcast.

Top sponsor

Above the feed on every page, seen on every visit.

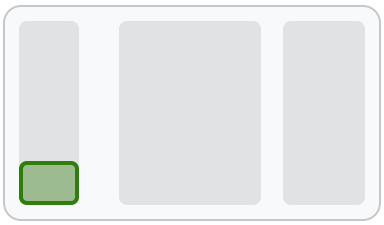

728×90 · 320×100 mobile

Right menu

Beside the feed, with the Tracker leaderboard and featured companies.

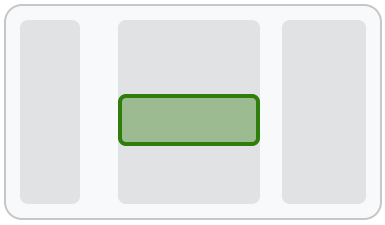

300×250

Left menu

Under the main navigation, on every page.

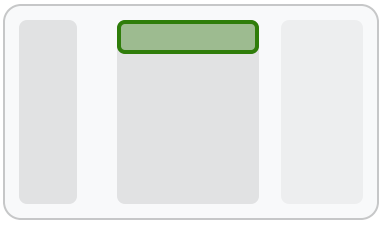

300×100

In the feed

A native sponsor post among episodes and posts.

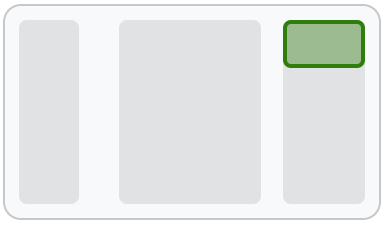

Native post

Companies sponsor

Presenting sponsor of the featured companies page.

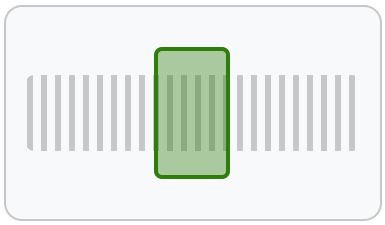

Banner

Weekly prize sponsor

Your brand on the Tracker leaderboard and the weekly winner.

728×90

Commercials in the podcast

We read your commercial during the episode.

Read during the episode

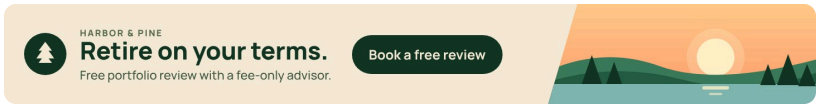

Show sponsorships

Be the “presented by” sponsor of a whole show. Guests can add a featured profile or the Boost program.

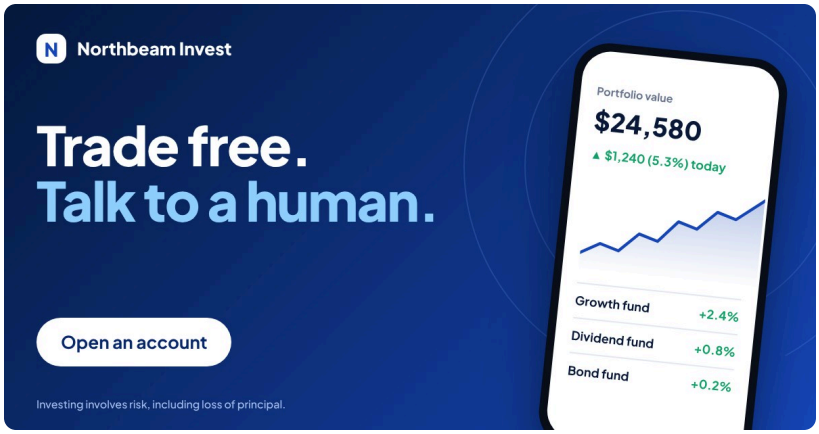

Custom packages on request

What it looks like

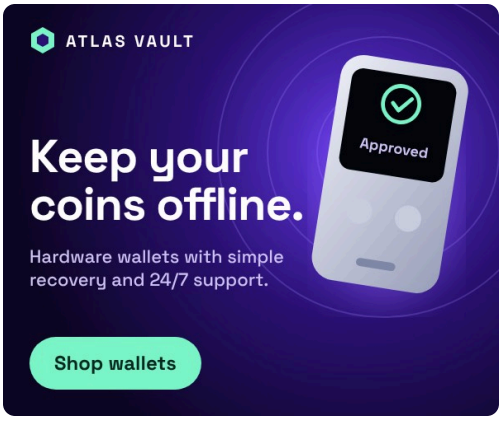

Examples of how each ad appears on the site. Example ads use fictional brands.

Example left menu ad

Commercial in the podcast

“This episode is brought to you by Harbor & Pine Advisors. Retire on your terms. Book a free portfolio review today.”

Example read (fictional brand)

Show sponsorship

“MoneyTV is presented by Harbor & Pine Advisors.”

Example credit (fictional brand)

How it works

1

Tell us what you want to reach

Send a short inquiry with your brand and goals.

2

We reply with rates

Expect rates and availability within 1–2 business days.

3

We build it with you

Pick a placement, a show or a co-produced package, and we set it up.

Let’s build your campaign

Custom packages and co-produced programming on request.
Tell us what you want to reach and we’ll build it with you.
